

14/48 UK Child Protection Policy

14/48 UK believes that it is always unacceptable for a child or young person to experience abuse of any kind and recognises its responsibility to safeguard the welfare of all children and young people, by a commitment to practice which protects them.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and their agencies is essential in promoting young people's welfare.

The purpose of the policy:

- To provide protection for the children and young people who receive 14/48 UK's services, including the children of adult members or users.
- To provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm.
- This policy applies to all staff, including senior managers and the board of trustees, paid staff, volunteers and sessional workers, agency staff, students or anyone working on behalf of 14/48 UK.

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and a code of conduct

for staff and volunteers

- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and good practice with children, parents, staff and volunteers

- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

We are also committed to reviewing our policy and good practice annually.
