The random draw happens on **Saturday night at 8pm**. This is where we find out who is in the festival that week and what the theme is.

After the draw we have a briefing with the two writers and they have until **8am Sunday** Morning to write a 500-word monologue.

On **Monday night (8pm)** we have an artists briefing with all involved and go through how Tuesday will work.

On **Tuesday** Directors get the script at 9am, then actors and musicians get them at 9:45. The team then has till **8pm** to get them ready for the live show.

Obviously if you are a writer it would be great if you could give some time to the director on the day of rehearsal too. (Between 9:15 – 9:45 is a really useful time to ask questions)
